

### Glenlake Goaltender Development & Reimbursement

In a continued effort to encourage the enrollment of new goaltenders and ongoing skill development of our existing goaltenders, the Glenlake Minor Hockey Club will be offering the following for the current hockey season:

**Atom, Peewee, Bantam & Midget age groups:** Glenlake will be offering a total reimbursement of \$500 per goalie for skills related development and/or equipment purchases.

- **Skills Development** - The full amount can be utilized for skills related development from a valid provider of your choice.
- **Equipment Purchases** - Up to \$250 of the total amount can be utilized for the purchase of goalie equipment.

**Novice age group:** Glenlake will be offering up to a \$250 reimbursement to Novice players for goalie skills development. This will allow those interested to obtain some training as well as try out the position.

- **Skills Development** - Up to \$250 will be reimbursed for skills related development from a valid provider of your choice
- **Association Goalie Equipment** - Glenlake has purchased additional goalie equipment to allow interested Novice level players to use the equipment without making an investment. The gear can be signed out for short periods of time to allow your child to participate in a camp, take a lesson, etc.
